- Minimal downtime for central server 6-7 hours
- No changes to Encore or WebPac Classic

# INN-Reach Modernization contin...

- Central server first.
- RSB Servers after Central (RSB existing and SWIFT)
- RSB Clients –in tandem with the RSB servers
- No timeline yet on RSB servers and clients

# Prospector Fulfillments: 2019-2023

# Top 10 Borrowers

# Top 10 Lenders

# Database Statistics

- Total master bibs 9 million
- Over 22 million item records
- Lower due to CU Boulder and Wyoming system migrations
- 65% of items are unique-held by one library

# E-Resource Lending

- Ebooks-Mainly Springer publishing (over 59K books)
- Some Elsevier and Taylor & Francis
- ProQuest Ebooks (largely focused on backlist)
- Alexander Street videos
- Swank Videos-popular feature films-restricted to academic

# Current list of lenders

- Auraria
- UCCS
- UNC
- CMU
- Wyoming-plans to lend upon return to Prospector
- CU Boulder-out now, hopefully lend when returns

# Ebook Lending Basics

- Lending library sends email to borrowing library-passes onto patron
- Publisher ebooks-Springer, T&F, Elsevier are hosted on Hightail
- Springer and other publishers- PDFs-perpetuity-never expire
- Streaming videos and ProQuest E-books have DRM
- Items can't be renewed, must re-request

# Thank You!
