I'm searching for a book called *Honest To God*, by John A.T. Robinson. I'm not finding the correct item in Longmont's catalog, so I'm going to search in Prospector.

The screenshot shows the Longmont Public Library website. At the top, there's a search bar with "Honest to God" entered. Below the search bar, it says "Logged In As G. Foley" and "Log Out". The search results show "1) Honest to God: a change of heart that can change the world" by Walsch, Neale Donald. The book is "On Shelf" at Longmont Adult Nonfiction. A callout box labeled "In Prospector" is circled, with an arrow pointing to a button labeled "See all Results in Prospector".

## Prospector Searching

It's Prospector!

The screenshot shows the Prospector search interface. At the top, a search bar contains the text "t:(Honest to God)" with a search button. To the right, the "Prospector" logo is circled, with the text "News About MOBIUS" below it. Below the search bar, the results are displayed as "Results 1 - 25 of 145 for t:(Honest to God)". On the left, there is a "Refine by:" section with filters for "Found In", "Format", "Language", and "Place". The main results area shows three items:

## Prospector Searching

Now you'll be asked for your name and card number

The screenshot shows a web browser window titled "Millennium Web Catalog - Internet Explorer" with the URL <https://prospector.coalliance.org/search/b12545825/b12545825/1,1,1,B/request-b12545825&FF=8d1,0>. The page header features the "PROSPECTOR" logo and navigation buttons: Home, Help, Prospector Map, and About Prospector. The main content area is titled "Request Verification" and contains the following text: "Requesting **The 'Honest to God' debate : some reactions to the book 'Honest to God.' / With a new chapter by its**

Please enter the following information:  
For example, type "Jane Smith"  
Your Name:   
Please enter your library card number

Below the input fields are two buttons: "Submit" and "Start Over". A black arrow points from the "Submit" button down to the footer area. The footer contains navigation buttons (Home, Help, About Prospector) and a note: "Brought to you by [The Colorado Alliance](#) Powered by [Innovative Interfaces, Inc.](#) 2003".

And here's the **Submit** button

Resulting in a **confirmation**:

The screenshot shows the same web browser window, but the page content has changed to a confirmation screen. The header is the same. Below the header, there is a green bar with the text "Should LastPass remember this password?" and buttons "Save Site", "Never For This ...", and "Not Now". The "PROSPECTOR" logo is present. Below the logo, it says "Log off You are logged in as *Foley, Gabe*". There are buttons for "Start Over" and "Regular Display". A "RECORD #" dropdown menu is set to "b12545825", with a "Search" button next to it. The main text reads: "Your request for **The 'Honest to God' debate : some reactions to the book 'Honest to God.' / With a new chapter by its** was successful.

Item requested from **Alliance - Regis University**

Your request will be delivered to **Library Circulation Desk at Alliance - Longmont Public Library** when it is available.

The footer is identical to the previous screenshot, showing navigation buttons and the "Brought to you by The Colorado Alliance Powered by Innovative Interfaces, Inc. 2012" note.

## Prospector Searching

You can also begin your basic **keyword search** in Prospector

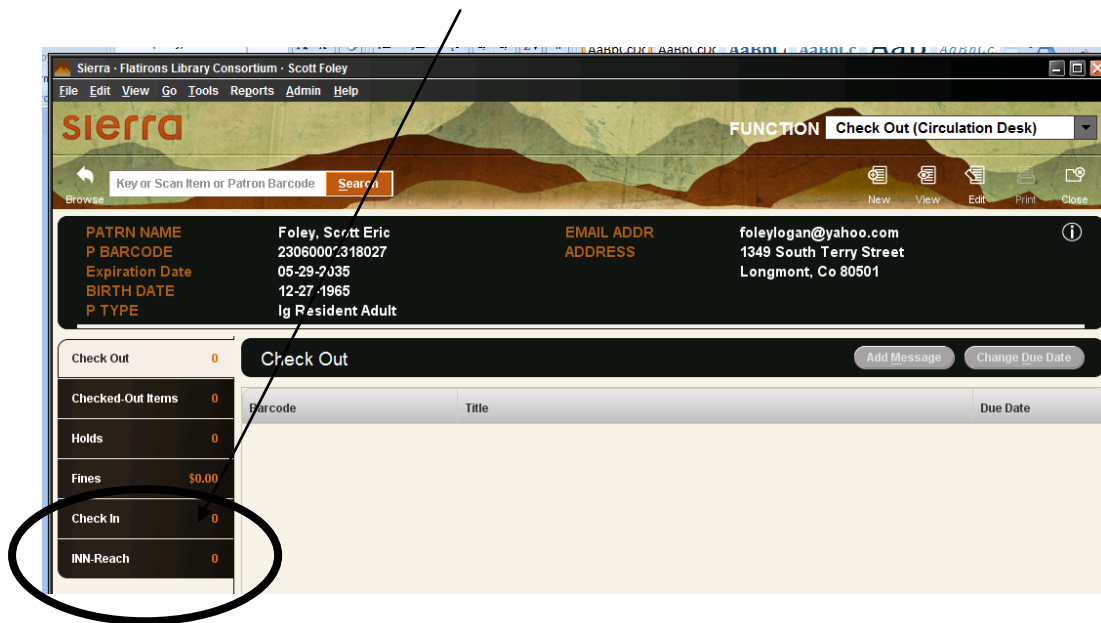

The screenshot shows a web browser window with the URL `encore.coalliance.org/iii/encore/?lang=eng`. The browser's address bar and tabs are visible. The main content area features a search box with the label "Search:" and a play button icon. Below the search box, the text "Advanced Search" is visible. The page also includes a "Catalog" tab and a "My Email List (0 items)" link.

... or, if you'd rather conduct an **advanced** boolean search

The screenshot shows the "Advanced Search" page of the Prospector interface. The URL is `http://encore.coalliance.org/iii/encore/home?lang=eng&suite=def&advancedSea`. The page includes a "My Email List (0 items)" link and the "Prospector News About MOBIUS" logo. The search form is titled "Advanced Search Basic Search" and includes a "Use the form below to construct your query" instruction. The form contains several fields: "Keyword" (with a dropdown menu), "AND" (with a dropdown menu), "Add boolean: AND OR NOT", "Format: ANY" (with a dropdown menu), "Collection: ANY" (with a dropdown menu), "Language: ANY" (with a dropdown menu), and "Year: " (with a dropdown menu). There are also "Search", "Reset search", and "Submit" buttons. The page also includes a "Library Links" section with links to "Classic Catalog" and "MOBIUS", and a "Search Tools" section with links to "Advanced Search", "Encore Home", and "My Email List (0 items)". The footer indicates the page is "Powered by **encore** © Innovative Interfaces, Inc."

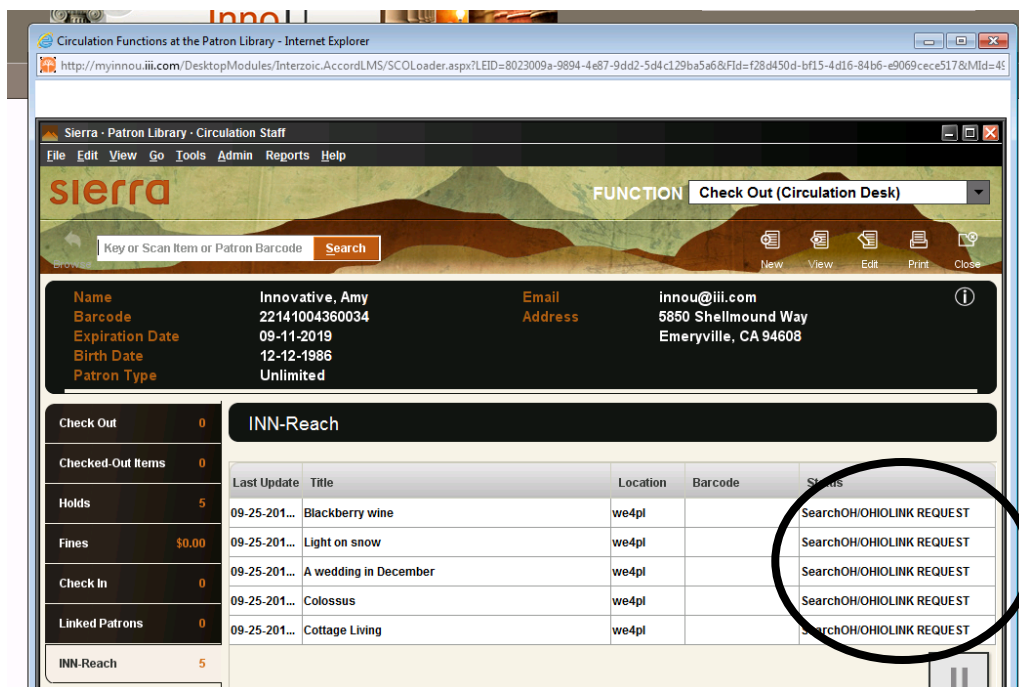

## Prospector Searching

In Sierra, there's a tab marked "INN-Reach" where Prospector info is found

Once the originating library acts on the request, that info will appear on your **INN-Reach** tab. The item will remain on your INN-Reach tab until it is checked in back at the originating library.

Here's an account showing INN-Reach items pending

## Prospector Searching

These items are also visible via the **Holds** tab

Likewise, any INN-Reach items checked out will be visible via the **Checked-Out Items** tab

Here's a customer with one item **In Transit** and one item remaining on **Request**

The screenshot displays the Prospector Searching interface for a customer named Innovative, Hal. The customer's details include a barcode (22141004360265), email (innou@jii.com), address (5058 Shellmound Way, Cincinnati, OH 94608), birth date, and patron type (Unlimited). The interface shows a 'Holds' tab with two holds listed. The first hold is for 'My French kitchen' (Barcode: No Barcode, Call Num: FIC Ha..., Loca...: we4pl, Pickup At: Main Library, Not After: SearchOH/OHIO LINK REQUEST). The second hold is for 'Five quarters of the orange' (Barcode: 31157016325632we..., Call Num: FIC Ha..., Loca...: we4pl, Pickup At: Main Library, Not After: IN TRANSIT). The interface also shows a 'Checked-Out Items' tab with two items listed. The first item is 'My French kitchen' (Barcode: No Barcode, Call Num: FIC Ha..., Loca...: we4pl, Pickup At: Main Library, Not After: SearchOH/OHIO LINK REQUEST). The second item is 'Five quarters of the orange' (Barcode: 31157016325632we..., Call Num: FIC Ha..., Loca...: we4pl, Pickup At: Main Library, Not After: IN TRANSIT). The interface also shows a 'Fines' tab with a balance of \$0.00. The interface also shows a 'Check In' tab with a balance of 0. The interface also shows a 'Linked Patrons' tab with a balance of 0. The interface also shows an 'INN-Reach' tab with a balance of 2.

We can cancel an INN-Reach request as long as it is still listed as on **Request**

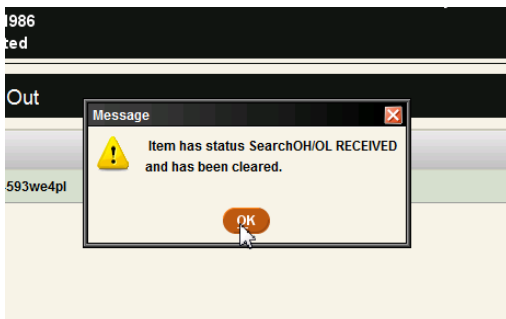

Once the item is **In Transit**, it must be canceled upon arrival

Items on the Hold shelf will be coded as **Received**

Like any other Holds, Received INN-Reach items will appear in a pop-up Message

Check these items out as you would any other item

Check out will trigger a message

Simply click OK to clear the Message

INN-Reach items will remain on the INN-Reach tab until they are checked in at the originating library

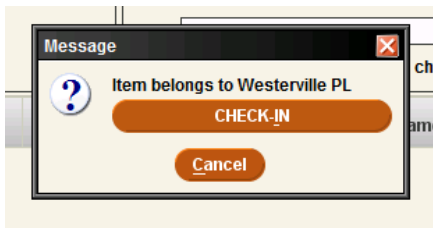

After checkout, their Status will show the date the item is due

Lafayette circulation terms and fines will apply to all INN-Reach items

Customers can renew INN-Reach items on their own Pika account page

## Prospector Searching

At check-in, a pop-up Message will remind you that the INN-Reach item belongs at another library

Just click on **Check-In**

Those items will remain on the customer's INN-Reach tab until checked in at the originating library  
They will show the status of **Returned** (though they aren't visible on the customer's Pika account)

**Mobius** is a service that searches libraries in Missouri, Oklahoma and the surrounding area. You'll see the Mobius icon in the sidebar of your Prospector searches. If you don't find something in Prospector, try searching in Mobius.
